Comrie
HOLIDAY PARK

www.comrieholidaypark.co.uk

We wish you a warm welcome to Comrie Holiday Park.

Comrie Holiday Park can be found off the A85, on the eastern edge of the beautiful village of Comrie, Perthshire. We have been family owned since 1976 and soon will be celebrating our 50th year of ownership!

The park is set in well established, peaceful grounds, with stunning views of the Perthshire countryside. You can access the rivers Earn and Lednock at various points on the park. The only facilities in the park are the main office and laundry.

Comrie village centre is only a few minutes walk away and is accessible for all mobilities. There are a wide range of locally owned shops and businesses. You will be able to find everything you need whilst staying here.

We regularly introduce new holiday homes throughout the year and have a good selection of pre-owned holiday homes for sale as well. We can order new homes and lodges to your specification at a competitive price. Our website and Facebook Shop have details of available homes.

You can enjoy your holiday home all year round as we have a 12 month holiday license. With wonderful annual events such as the Flambeaux Parade at Hogmanay or the Comrie Fortnight during the peak of summer, there is always something to look forward to at Comrie. The village has a busy social calendar throughout the year.

Of course you may decide this is your slice of tranquillity to simply relax and recharge in the stunning Perthshire Countryside. There is nowhere better.
