

Welcome to the final newsletter of 2024! 2025 will soon be upon us. May we take this opportunity to thank you for your continued support and wish you a "Very Merry Christmas and Happy New Year!" We have been experiencing very cold, wintry weather over the past few weeks, with night time temperatures dropping to minus 8, so wrap up warm if you are using your holiday home soon!

For those wishing to join us over the festive season, please visit your holiday home in advance to check for any plumbing or heating issues. It is very difficult to find an engineer at that time of year. It may be useful to have a spare shower to hand, as these can burst easily due to small amounts of water remaining, and be fitted by amateurs fairly easily!

*Best wishes, The Comrie Holiday Park Team*

Thanks to Helen from Willow for sharing this wonderful photograph on Facebook from her walk towards the primary school. Love the sun creating shapes with the clouds!

The photograph below shows a beautiful Autumn sunset spotted by me when I was travelling through the park on my buggy! It was such a marvellous site to witness.

This drone shot by Dougie on Rowan captured a very snowy day last year on the park. I just love the snowy sky in the distance!

# Welcome!

It is our pleasure to welcome our newest members of our community:

**Birch 20:** Mr and Mrs Wilson

**Laurel 7:** Mr and Mr Reidy (move)

**Laurel 29:** Ms Johnston

**Rowan 18:** Mr and Mrs Fernie

**Rowan 21:** Mr and Mrs Mclsaac (move)

**Willow 27:** Mr and Mrs Graham (move)

# Goodbye!

We say goodbye and best wishes to:

**Rowan 10:** Mr and Mrs Holmes

**Rowan 21:** Ms Hammond

**Willow 23:** Mr and Mrs Armstrong

**Willow 27:** Mr and Mrs Bennie

# Being ready for winter!

Read below for some handy hints to help you use your holiday home over the winter period:

- Keep soft furnishings off the exterior walls and ensure all vents are clear
- Always keep antifreeze or alternative handy to help when you drain down
- Ensure all loose items are tied down to minimise risk during windy weather
- Keep a close eye on your gas changeover valve and remember it changes automatically to the other bottle. If you see red, order a new bottle! You can do this via email, phone or by popping into the office
- Leave blinds and curtains open, your home will benefit when it is sunny
- Read over your insurance documents to check for any requirements for you to carry out over the winter period

## Want to pay a bill by bank transfer or set up a standing order?

Our details are, Bank of Scotland:

**Comrie Holiday Park Ltd**

**Sort Code 12-16-30**

**Account 00758520**
